## SHARE PRECIOUS MEMORIES in a comforting and relaxed environment

At the end of a funeral, spending time with family and friends can be very healing. While the funeral service itself often provides a sense of closure, spending some time in the company of friends and family can be the perfect time to share stories, memories and feelings about the departed. It also provides the perfect opportunity to renew friendships and relationships.

An after-funeral function is the perfect setting for this kind of healing and reconnection to take place. Let Allan Drew Funerals make this as easy as possible for your family.

## FUNCTION CENTRE

On site at Allan Drew Funerals at Castle Hill is our beautiful, historic yet modern after-funeral function centre. This provides you with all the advantages of having the after-funeral function at the same venue as the funeral service.

Our professional staff will be on hand for your function to assist with service and special requests. We can also offer you all the advice you need and can make recommendations to ensure your after funeral function meets your cultural needs.

*For your family, for the most,*

So that the after-funeral function is relaxed and convivial, we recommend it follows on from either a 10.00am or 2.00 pm funeral service. This ensures you and your family have sufficient time to catch up and share precious memories of your loved one.

Allan Drew Funerals is not licensed but BYO alcohol is permitted. If you wish this to be part of your after-funeral function, we request that you hold your function in the afternoon so that family and friends aren't rushing back to work and can spend time together. Talk to us if you wish to arrange for BYO alcohol at your after-funeral function.

*Dear Allan,*

*Thankyou and your wonderful staff for your care, compassion and competence.*

*We are so grateful to you for the outstanding manner in which you guided and helped us and enabled us to give Dad a really beautiful funeral, the memory of which we and our friends and family will treasure forever.*

*Fondest regards, Carol*
